Instructions:

- Email your copy-right free images to info@kjanedesigns.com. Your images should be high-resolution (at least 250 ppi).
- If you would like to use images that have been taken by a professional photographer or studio, please contact me and I will email you a **Photo Release Form**. The form will need to be signed by the original photographer and returned to me, before I can design with your images.
- If your images need to be scanned in, please mail them to **808 Northcreek Drive, Edmond, OK 73034** in a sturdy envelope (available at Wal-Mart or the Post Office). Your images will be returned to you with your final card order.
- Once I have received your images, I will design your photo card within 5-7 days, and email back to you for approval. First proof and two rounds of revisions are included in the price, for a total of three reviews. An additional fee will apply for all other design modifications.

Don't forget about Matching Address Labels!

Price: \$7.00/sheet (set of 80 labels) – each additional sheet ordered will be \$5.00
